Welcome To Templestowe Valley Primary School

On behalf of the school community may I extend to you a very warm welcome to Templestowe Valley Primary School. We are confident that our school will meet your highest expectations. We hope that this brief outline of our school gives you an insight into what TVPS can offer your child's future.

Here at Templestowe Valley Primary School we take pride in being at the forefront in teaching strategies, along with a firm grasp of the Victorian Essential Learning Standards (VELS). This enables us to understand our students better and help them to excel. We teach our students to be individuals and encourage a caring and understanding environment. Our comprehensive curriculum covering the fundamental learning areas and extending into specialist lessons, teaches our students confidence and determination for the future.

Templestowe Valley Primary School is a community based school that thrives on family participation. There is a long tradition of parent participation in, and support for, a wide variety of school activities. Many social activities are planned throughout the year allowing the family atmosphere to take hold. We look forward to having you and your child as part of our community.
