From the Principal's Desk – Alison Rees

Sad News – Anne Ellenby's Retirement

On May 9th I announced to our TVPS community via Compass the sad news that Anne Ellenby was retiring at the end of Term 2. Knowing that there are many past students and families who no longer have Compass access, but who stay in touch with TVPS via the newsletter, I include that Compass message here.

Dear TVPS Parents, Students and Community,

It is with much personal regret and very warm wishes that I need to announce the retirement of our dear friend and much loved Assistant Principal – Mrs Anne Ellenby – at the end of this term. Following Graeme's retirement at the end of 2018, Anne's leaving marks the end of an era for Templestowe Valley Primary School.

We all recognise and celebrate Anne's unconditional dedication and commitment to the TVPS community. Her grace, friendliness and genuine care is generously shared with all. I've only known Anne a short time in comparison to many of you, but can speak from the heart when I say that she will be greatly missed by all. Her welcome and support of me in my new role was wonderful and I know that she stayed on this year to support my transition into the role and as always, with the very best interests of our students in mind.

We will honour Anne for her contributions at a farewell assembly in the last week of this term. All community members are invited to attend that assembly to extend their thanks and best wishes to Anne for her years of service both to TVPS and to education. More information about this special assembly will be distributed in upcoming newsletters and via Compass.

I know that you will all wish the very best for Anne in her new adventures and hope that you can join us in thanking her at the end of term. Please read the letter below from Anne herself.

*Warm regards,
Alison Rees
Principal*

Dear TVPS Families,

I am writing to share some news with you all. This has been a time of great reflection and 'weighing-up' ... I think I am better at making plans for others!

This is my 10th year at TVPS – and I love being part of this community. But this is my last term at TVPS.

We have a new Principal guiding our school into the future, and I really enjoy working with Alison, and it is now time for more dedication to my family - from parents aged 94 and 91 to my two grand-daughters aged (just) 5 and (nearly) 3 – and my sons and daughter-in-law too!

Calendar

MAY

Sat 19 th	Election Day
Wed 22 nd	Foundation Snow Day
Wed 22 nd	Maths Olympiad #1
Fri 24 th	Level 4 Division Softball
Tue 28 th	Foundation Workshop
Tue 28 th	District Cross Country
Wed 29 th	OPEN DAY/ NIGHT
Thu 30 th	L4 Interscholar Sport
Fri 31 st	Chinese Culture Day

JUNE

Tue 4 th	Division Cross Country
Wed 5 th	Flying Start #1
Thu 6 th	L4 AFL Girls Gala Day
Fri 7 th	Curriculum Day

STUDENT BANKING

Mon 20 th	Rebecca Crouch Cathy Evangorou
Mon 27 th	Neil Barker Melinda Minuzzo

WORKING BEE DATES

Saturday, 20th July
Saturday, 19th October
Saturday, 7th December

CHICKEN CARERS

May 18 th - 19 th	Foong Family
May 25 th - 26 th	Shum Family
June 1 st - 2 nd	Arvanitis Family
June 8 th - 10 th	Toy Family
June 15 th - 16 th	Rossiani Family
June 22 nd - 23 rd	De Marco Family

I have loved being part of your child's education, and I thank you for the trust that you have placed in me over this time.

I am sorry that I will not get to better know our 'still-quite-new' Foundation students (aka Preppies), but I am sure that they will continue to thrive in the TVPS school environment. The students who were in Foundation in the year that I started at TVPS (2010), are now half-way through Year 9 – where HAS that time gone?!

We still have this Term 2 together, and I will 100% be the TVPS AP until that bell rings on Friday 28th June.

*Cheers for now,
Anne Ellenby
Assistant Principal*

If you would like to recognise, celebrate and thank Anne for all that she has done for children and their families throughout her career, please join us at a **special assembly is planned for Wednesday June 26, at 10:00am**. More information will be sent out via Compass closer to the event.

Jane Goodall – Roots & Shoots Program

Last Saturday I, along with Kira Georgakopolous, Jenni Livingston and the students listed below had the immense privilege of attending a very special event; a once-in-a-lifetime opportunity to meet primatologist and anthropologist, Dame Jane Goodall, DBE. Jane Goodall is known throughout the world for her tireless efforts to protect chimpanzees and restore habitat by supporting community centred conservation activities.

In support of the Jane Goodall Institute's work our Sustainability Captains were been invited to participate and assist in a local initiative by revegetating the Annulus Billabong, Yarra Flats Park with Jane Goodall's Roots & Shoots program. The students were supervised in groups of 5 by a Roots & Shoots leader through their efforts on the day, helped increase the biodiversity of the area and provide habitats for the local wildlife by planting 1500 trees.

In upcoming newsletters we will include more articles written by our students about this special event, but for today, I would sincerely like to acknowledge each and every one of the students who represented TVPS at this event. They were wonderful ambassadors for our school. They were interested and keen – their enthusiasm was tangible. They were respectful, attentive, conscientious and committed – none of them wanted to leave when it was time to be collected. I couldn't have been more proud.

I would like to say a very big **THANK YOU** to Kira Georgakopolous who coordinated the event. This event couldn't have happened without her, and her mum Jenni, who both came along on a Saturday morning to support our students at this special event. Thank you also to our students' families for their support.

Congratulations to the following students – you are all STARS in my eyes.

Student Celebrations

Our congratulations and very best wishes to Mikael E-A of 6B. Mikael has been selected to represent Australia at an international soccer competition in France. He is leaving next Wednesday. This is such a wonderful opportunity for Mikael. He is an extremely talented young man and this tournament will give him the chance to shine and develop his skills further. Mikael very kindly wrote the article below to tell us about his trip.

Northcote City Football Club has selected an U12 team to participate in the Mondial Cup International tournament in Le Mans, France. There will be 48 international youth teams participating in the tournament and Northcote City will be the only Australian team. I was fortunate to be selected by my club for this amazing experience.

On the 22nd of May my soccer team and I will be leaving to go overseas for 12 days. It will be very tough competition as there will be the top teams from all around the world such as Manchester United and PSG.

Leading up to the event my team and I will be playing some friendly matches in Germany and Austria. We will be facing more very strong sides like Bayern Munich and VfB Stuttgart.

I am so excited for this opportunity to be able to play and learn from the clubs and players this amazing sport that I hope I can pursue my dream of becoming a professional soccer player.

I know that you will joining me in wishing Mikael the very best for the tournament and his journey. We'll look forward to hearing all about his adventures on his return.

From our School Council President – Christine Gouramanis

Hello Everyone,

We held our School Council meeting on Monday 6th May with unexpected news being presented to us. As a council, but also as parents, we were saddened to hear of Anne Ellenby's announcement to retire at the end of this term. She is widely respected amongst our school community and teaching staff for her work with children and families. But unless you're on school council, you wouldn't know about the tireless work that Anne does, and has contributed to, in the governance of our school, and to education in general. Her absence on Council will be strongly felt by all. I will reflect on Anne's time on School Council and her contribution in a future newsletter as her final days at TVPS approach. When we acknowledge and celebrate Anne's work and achievements at the end of term, it will be on behalf of all the children, families, educators, staff and community members that Anne has influenced over the 37 years of her career.

As a newly formed school council, it was prudent of us to be informed of our roles and responsibilities and so a number of council members attended the School Councillor Training. The training was titled, "Improving School Governance" with the session being hosted at TVPS. The session provided valuable training for those who are new on school council and a refresher for those who have served before. As councillors, we learnt about our role in supporting our school through governance, strategic planning, finance, policy and review. A final aspect specifically relating to the role of school council president was covered at a separate training session that I attended. The sessions outlined our responsibilities as councillors and defining roles within the school environment. We came away at the end of the session with clarity on our responsibilities and obligations and a commitment to support the people in our school who have our children's education and wellbeing as their goal - the staff – teachers and ILA, principal class, administrative staff, OSCH and volunteers.

Work on School Council sub-committees continues with investigations into renewing the OSCH area underway, review of school policies, Parents & Friends events, publicity and marketing of our school to increase enrolments, and supporting the staff at OSCH during the service's accreditation process. On a lighter note, planning for TVPS 50th Anniversary celebrations is gaining momentum and we're looking forward to supporting the efforts of that committee.

There is lots of work to be done at our school and as school councillors we encourage your participation and involvement. There are sub-committees that would warmly welcome your contributions, so please become involved and reach out to your councillors if you have questions or concerns. My email is below for you to contact me directly when needed.

And finally, as you perform your civic duty this Saturday, please come and support our Parents and Friends Election Day Market - Sausage Sizzle, Cake and OSHC Stalls. "Happy Voting!"

Best wishes,

Christine Gouramanis

Gouramanis.Christine.C@edumail.vic.gov.au

Student Enrolment

Have you enrolled your child for Preps next year?

Do you know about our Flying Start Program for new 2020 Prep students?

If your answer is "No," to either of these questions,
please contact the TVPS Office ASAP.

Working Bee – Saturday May 11th

Talk of service to the community – FANTASTIC!

Our second Working Bee was held last weekend and I would like to say a very big **THANK YOU** to them on behalf of the whole Templestowe Valley PS community.

We had a small, but awesome group of parents and students who worked tirelessly from 9:00am – 12:30pm. They:

- moved wheelbarrow upon wheelbarrow of soil into new planter boxes located in the Sustainability Garden

- spread mulch into garden beds
- cleaned, swept and re-bedded the chicken enclosure
- cleaned gutters on Block C. (They found lots of baby gum trees growing in them too!)
- worked to re-establish the Asian Garden
- moved planter boxes and created new growing areas, and
- commenced work on re-developing the Camellia Garden near the staffroom window.
- (As well as a stack of other things that I've forgotten to mention!!)

To all of the people who came and gave of their time for our students – thank you. A very BIG THANK YOU to Mr Ross Peters and Jordan Barker. Ross is a past parent who coordinates all aspects of the Working Bee for us, and Jordan is a past student who just loves helping! Both are amazing people and we thank them for their very genuine commitment to, and care of our school. I have a very special “Principal’s Award” for the following students and parents:

<i>Name/s</i>	<i>Class</i>
Kira Georgakopoulos	
Jenni Livingston	Miss G
Simon Ubergang	Kai - 5B
Rob Cretney	
Ross Peters	
Jordan Barker	
Graeme Renshaw	
Catherine Meredith	Ms Rees
Anne Ellenby	

<i>Name/s</i>	<i>Class</i>
Chris Johnson	Hayley - 5S
Tyler & Rodney Birri	2G
Amara & Joel Nuri	2G
Adam, Cody & Troy Street	Adam - FP
Leslie, Cooper & David Tahau	4S & 6B
Lucy & Marilla Cooper & Neil Barker	4V
Lucas, Joshua & Shane Gardner	2BD & 4S
Angus, Alison & Ross Johnston	2G

Federal Election – Saturday May 18th

Templestowe Valley PS will be an authorised polling booth for the upcoming Federal election to be held on Saturday May 18th.

Hosting an event such as this – taking the politics out of it – is a wonderful opportunity to raise funds for our school - particularly as people from outside of our TVPS community will be coming to vote. Our Parents and Friends Association and OSHC team have risen to the challenge of capturing this market and are inviting all to their Election Day Market – Sausage Sizzle, Cake & OSHC Stalls.

A HUGE **THANK YOU** and recognition of all the work that Melina Minuzzo, Eva Wong, Andrea Dusk and Wendy Lincoln have done in preparation of this event. If you haven't signed up to help yet, and are able to give us an hour of your time in the afternoon on Saturday to either cook or serve at a stall, can you please email or phone Melinda Minuzzo? Email: melindaminuzzo@gmail.com Phone: 0438 437 004

I have sent out via Compass a flyer (shown here) advertising this event. We'd really appreciate you sending it out electronically – either as the pdf from Compass, or by copying the image below - to your family and friends, e.g. via Facebook, etc., just to let them know

that Templestowe Valley PS is a polling booth and that they can support our school as well if they choose to vote here. (Plus our "democracy sausages" will be the best in the area!!)

Sincere thanks also to:

- Mr Roland Beerling – Manager of Bakers Delight – Macedon Plaza

He generously supplied us with 30 loaves of bread for the Sausage Sizzle and we can't thank him enough for his support of our school. (You might remember that it was Roly who donated all the mini hot cross buns to us for our Open Day.)

A certificate of appreciate and information about his business has been included in this newsletter.

Education Week – Open School Event – Wednesday May 29th

The theme this year "**Celebrating Career**".

During Education Week (19 - 25 May), kindergartens and government schools throughout Victoria will open their doors to parents and their broader communities. It's a great time to find out more about kindergartens and government schools and the many opportunities they offer to Victorian children to thrive, learn and grow.

For us at Templestowe Valley PS we will be showcasing our programs and achievements by holding an **Open Day & Night Event on Wednesday May 29th**. The program for this special event will be distributed next week.

Celebrating our Culture Diversity Day - Friday May 31

On Friday, 31st of May, Templestowe Valley Primary School is holding a Cultural Diversity Day to celebrate our diversity and reflect on what gives us a sense of belonging in our TVPS community. Our children are welcome and encouraged to wear their traditional costume or the colours of their countries.

In order to kick off the day with songs, Chinese dragon parade and Chinese orchestra performance, a special assembly will run from 9:00 - 10:00am in the School Hall. We would like to invite all members of our TVPS community to join us at the event.

In order to value and focus our Mandarin program, our children will be treated to three Chinese immersion activities. As part of the day's activities, the Foundation to Year 2 students will participate in the Chinese Blowing Painting workshop. Grade 3 and Grade 4 learners are invited to experience the Kung Fan Dance workshop. The Shadow Puppet workshop is designed for Grade 5 and Grade 6 students.

Our children will also have an opportunity to appreciate cultures and diversity through classroom hands-on activities based on Victorian Curriculum during the day.

It would be fantastic to have parent support and involvement with this day. Please come and join us at assembly

Winnie Wang

Staff Professional Learning – Curriculum Day

PUPIL FREE DAY – FRIDAY JUNE 7th

A reminder to all families that we have a Curriculum day coming up next month - Friday June 7th. This will be a professional learning activity for TVPS staff and a holiday (Pupil Free Day) for its students. We hope that all families enjoy the 4 day weekend, (inclusive of the Queen's Birthday Day holiday on Monday June 10th).

The fourth of our Curriculum Days for 2019 is on the Monday before Melbourne Cup Day – Monday November 4th. This will also be a pupil free day with teaching staff focusing on student assessment. All of the curriculum days for 2019 have been approved by School Council.

TVPS 50th Birthday – Connecting with Past Students, Parents & Staff

Our TVPS 50th Birthday Committee met this week and we have some amazing things planned as part of our Birthday celebrations with lots of great events involving different and all members of our community. We're not quite at the point of revealing all . . . but we REALLY do need your help please.

We're really wanting to connect with past students, parents and staff in order to invite them to join in on our celebrations, as well as to send us photos and documents, etc. to add our historical display of memorabilia.

But we don't have lists, contacts, etc. of past alumni and we need help getting the word out. We are in the process of setting up a Facebook page just for the 50th Birthday and would appreciate your help in sharing our posts.

If you want to stay in the loop or play a more active role by joining the Committee please register via the Google Form on our TVPS website or through this link:

<https://docs.google.com/forms/d/1SAhDrywPEwz-riHBHT67dRm5j1w1MjkyboXd4TVCI30/edit>

**Are you a past student,
parent or staff member of
Templestowe Valley PS?**

If you replied, "YES!" please read on!

It's Templestowe Valley's 50th Birthday this year. We're going to be celebrating and we would LOVE you to be involved. Our anniversary celebrations will spread across Terms 3 and 4 culminating in a **Carnival** on **Saturday October 26th**.

We have many events planned to commemorate this milestone. These celebrations will provide an opportunity for past staff and students to reconnect with the school and engage with current students and the school community.

The anniversary will showcase how the past has provided a strong foundation for the present and the future and how our school motto of "Aim High" resonates through everything that we do.

If you want to stay in the loop or play a more active role by joining the Committee please register through via a Google Form on our TVPS website or through this link:
https://docs.google.com/forms/d/1SAhDrywPEwz-riHBHT67dRm5j1w1MjkyboXd4TVCI30/viewform?edit_requested=true

If you would like to join in the fun of planning and organising our Birthday events, our next 50th Birthday Committee meeting will be **Wednesday June 12 at 7:00pm** in the TVPS Staffroom. Please come along – all welcome.

CANTEEN HELPERS NEEDED PLEASE!

Students really enjoy having an occasional lunch order from the Valley Deli - especially on Fridays! Adele works hard to have an interesting and nutritious menu available to all, and we know that many hands make light work – and get lunch orders out on time for hungry tummies.

If you can help – for even for 2 hours – your time will be much appreciated.

You can log on via the Compass link to ‘sign up’, use the link below, or please call in and speak with Adele to find out more about this worthwhile volunteer role at TVPS. <https://signup.zone/Sde25J7PCrn7ptrj9>

Thank you in anticipation of your support.

Regards,

Anne Ellenby

Appreciative user of the canteen – especially ham & cheese rolls.

YEAR 5&6 CYBER SAFETY with KATE WILDE

Kate Wilde has presented two lessons and a Family Forum evening on Cyber Safety this Term to Year 5 & 6 students and parents. Students have learnt about how to stay safe online, particularly when using social media and how to communicate with others respectfully.

Congratulations and well done to all the students who organised a ‘Technology Free Evening’ with their families last week. Although it was challenging for some older siblings (and possibly some parents too), the students were keen to share what they had organised and reflected on how much they enjoyed spending quality time with their parent(s) and siblings. This activity connected well to our Resilience Project- in particular the notion of Mindfulness- being present in the moment. We were delighted with the outcome and had a few students share their experiences at Assembly on Monday. We have shared some of the student responses below.

For the past two weeks, Kate Wilde has come to our school and talked about Cyber Safety and a few other things with Grade 5 & 6 students. Kate talked about Cyber Safety and how important it is to NOT post your personal details online. Here is an example of what’s ok to post and what is not ok to post:

Your personal and school details- NO

A Fake name-YES

The country you live in- MAYBE

Kate also talked about how 600,000 Facebook accounts get hacked a day. She gave us some homework to do which was to organise a family activity that lasted three hours with NO screen time meaning; no phone, no computer, no consoles (Xbox, PS4, etc.)

This helps kids and families come together. I recommend everyone try this because you will find that being away from a screen won’t kill you and is beneficial for everyone in your family.

Ollie (5B)

Two weeks ago, Kate gave us an assignment do. We had to not use any technology for three hours and plan our own fun night with the family. Everyone in class that organised something said they had fun as well.

Kate taught us that not everyone online tells the truth and that we (kids) are the most vulnerable. We have also learnt that with all the technology these days it is not that easy to keep safe. Kate gave us some tips on how to stay safe on social media. Here are some of the main tips:

-Don’t share your personal details like your full name or address on social media

-Don’t post pictures of yourself online

Remember to stay safe online!

Kai (5B)

On my Technology Free Night my family and I watched the show called ‘A Taste of Ireland’ and after that we had dinner together. I had pizza. Overall, I really enjoyed spending time with my family, without the use of screens.

Milena (5V)

Last week Kate Wilde came to our class to educate us about Cyber Safety. Some of her words really hit home, anyone can be online at any time and see any of the information you post on your social media accounts as 600,000 Facebook accounts are hacked daily. During our Technology Free Evening, our family was split into small groups as I didn't think of an activity for us to do as a whole family, I worked on drawing and my other family members read books. Due to the fact that I do not use technology much in the evenings this experience was an enjoyable one for me and my family.

Kevin (5V)

On our device free night, I made a board game called Stars and Galaxies. My whole family played.

We all loved it and would like to do it again sometime soon.

Everyone said afterwards that it brought us closer together as a family, as we were not distracted by our devices.

Caitlin (5V)

FOUNDATION GRANDPARENTS' DAY

Grandparents' Day in Foundation

Grandparents' Day, held in May each year, is a long-standing tradition at TVPS. The Foundation students welcomed their grandparents/ special friends to the school by performing the song 'Thank You Grandma and Grandpa'. There was hardly a dry eye in the room. Students then showed their guests around their classroom before taking them on a tour of the school. It truly was a very enjoyable experience for all.

STUDENTS OF THE PAST 3 WEEKS

FG	FG	Wonderful Term 1
FG	Adelaide J	Being a responsible class member
FG	Roman R	Wonderful work in reading groups
FS	Theodore A	Impressive use of vocals investigations
FS	Luci H	Always completing set task to high standard
FS	Basheer M	Wonderful progress in learning the alphabet sounds
FP	Dempsey D	Wonderful start to Term 2
FP	Ethan B	Presenting his homework beautifully
FP	Mason R	Wonderful progress in his letter formation
1J	Elizabeth A	Excellent work habits
1M	Alana E	Excellent student and wonderful friend
1M	Toby B	Being very thoughtful
2BD	Beau W	Wonderful piece of writing about ANZAC Day
2BD	Jayden P-V	Enthusiasm for his ANAC writing at home
2BD	Ryan M	Always being very respectful to class mates
2G	Joshua C	Working hard and making great progress in Maths
2G	Zara L	Displaying greater concentration during learning time
2G	Maia F	Excellent organisation skills
2N	Fiona L	Great listening to the diary of an ANZAZ soldier
2N	Charlotte G	Trying really hard on her concentration
2N	Jimmy T	Taking responsibility for his learning
2M	Kosta S	Thoughtful writing about ANZAC Day
2M	Esha B	Completing fabulous addition rockets in Maths
2M	Oliver P	Being responsible for focusing on improving handwriting
3H	Mackenzie C	Positive attitude and consistent effort
3H	Immy B	Trying her best in all tasks
3H	Tomas G	Displaying a responsible attitude to his learning
3P	Jack M	Taking responsibility for his learning
4PS	Thomas W	Outstanding work ethic
4PS	Liam C	Always being organised and completing work on time
4PS	Andy R	Captivating narrative
4S	Tom A	Great team player
4S	Zoli J	Demonstrating confidence when solving addition problems
4S	4S	Excellent start to Term 2
4V	Christos S	Brilliant work on division in Maths
5B	Fion Z	Always doing her best
5B	Paul K	Positive class member
5B	Lao I	All round fabulous student
5S	Tayah E	Fantastic improvement in reading fluency
5S	Nicholas K	Excellent application to his school work
5V	Pradyun S	Fabulous persuasive text
5V	Hayley F	Conscientious student
6B	Campbell H	Always sharing his enthusiasm for numbers
6B	Lincoln S	Showing resilience
6C	Charlie L	Outstanding effort in creative writing

Bread Tags for Wheelchairs
JSC Community Service collection
for 2019

Did you know that those bread tags you usually throw away
can be collected and used??

‘Bread Tags for Wheelchairs’ has been collecting Bread
Tags in South Africa since 2006.

These tags are recycled into seedling trays and the
proceeds are used to provide wheelchairs for the needy.

Anyone can collect, so let’s get started.

Start collecting and then it is as simple as throwing them
into the labelled container outside Room 12 (Grade 2BD).

These then get delivered to a collection point.

What a fantastic, and easy, initiative.

For more information look up

<http://www.breadtagsforwheelchairs.co.za>

Templestowe Valley Primary School

2019 Flying Start Program

Your child is invited to participate in three enriching sessions to experience the highlights of school at TVPS. All sessions are **free of charge!** Please call the school Office (**8850 5777**) to make a booking. Be in quick, as spots are limited.

Date	Session 1 2:00– 2:30pm	Session 2 2:30– 3:00pm
Wednesday June 5th	STEM (Science, Technology, Engineering, Mathematics)	Visual Arts
Wednesday June 12th	Story Time (in our school Library)	Beginning Reading (with Letter Getter on the Interactive Whiteboard)
Wednesday June 19th	Performing Arts	PMP (Perceptual Motor Program)

All parents are invited to a Parent Information Session each week while the Children’s Program is running. Please call the Office for more information.
