## VTLM 2.0

This year, one of our foci for professional learning is the Victorian Teaching and Learning Model (VTLM) 2.0. This term we have been focusing our work on classroom routines and Daily Review.

Routines for students are very important both at school and at home. Routines give students structure and help reduce cognitive load. When routines are consistent and students don't need to think about how to follow them, it reduces the cognitive load and allows more opportunity for students to focus on their learning. Some typical routines are:

- Getting books, pencils etc out for learning
- Lining up
- Morning routine
- Packing up routine

Daily Reviews help increase memory retention for students. Research shows that Daily Review of what the students have previously been taught, can increase the capacity of the brain to move the knowledge from the Working Memory to the Long Term Memory. The Working Memory is what we do at the time when we are learning or completing a task. The Long Term Memory is where things are stored in the brain and we can access the information when required. When learning your times tables for example, if you do them once, it will be in your Working Memory and not transfer into the Long Term Memory. If you learn them each day, each week and each month, the knowledge will move into the Long Term Memory and you can access it without even thinking. This then reduces the cognitive load when working on maths tasks that involve times tables such as Area and Perimeter.

## Buddy Bench

A big thank you to Clara and Viva and their families for transforming our tired Buddy Bench into a vibrant and inviting bench for students to use. The Buddy Bench is designed so if a student can't find someone to play with, they can sit on the Buddy Bench and then another student will come and invite them to play. This way everyone has someone to play with at TVPS and we build friendships across the school.

6 October to 19 December

### **Father's Day Stall**

Our annual Father's Day Stall will be held on Thursday 4 September. The teachers will take their class to the Hall between 9am-1pm. Students will need to bring along some money to purchase items and also a bag so they can transport their gift home. If you are able to help out on the day, please contact Dani (details are on Compass post).

### **Working Bee**

We have planned a Working Bee for Friday 12 September 4pm-5:30pm. We hope you can come along and help make our school beautiful.

### **Book Week**

What a wonderful day we had on Monday with the Book Week Parade in full swing. It was great to see so many students and staff dress up and have a huge parent contingent in attendance. A big thank you to Emilia who organised the parade and the author visit on Tuesday.

### **5/6 Hooptime**

The students in 5/6 are attending the Hooptime Basketball competition on Friday 29 August. We hope they all have a great time and enjoy participating in the competition.

### **Family Portrait Fundraiser**

Thank you to the P&F and especially Beck for organising the Family Portrait Fundraiser. The sessions booked out very quickly and it seems it was a popular fundraiser.

### **Enrolments for 2026**

If you have a sibling at kinder and will be attending Templestowe Valley in 2026, please see the office staff for an enrolment form if you haven't already. If you know of any families external to the school who are interested in enrolling next year, please ask them to speak to the office staff.

### **Ajani Food Pantry**

If you're heading to the shops this weekend, why not grab an extra item or two to support our Term 3 Food Drive for the Ajani Neighbourhood House Food Pantry?

Things like chips, biscuits, soap, shampoo, pasta sauce, canned foods and staples like flour, sugar and UHT milk are always welcome. You don't need to buy brand names, everyday bargains from Aldi are perfect.

Drop-offs can be made in the black crates next to the First Aid room.

Every item donated helps support local households who could use a helping hand right now.

Just a reminder that students must be supervised by a parent in the yard before 8:45am as the yard duty teacher begins their duty at 8:45am. After school, the yard duty teacher will be on duty from 3:30-3:45pm. Outside these times, students in the yard will be sent to OSHC.

Just a reminder not to bring your dog into school. This is for the safety of all students, staff and community members.

Just a reminder that the carparks inside the school grounds are for staff only, deliveries and emergency vehicles. Please don't park in these carparks. Please use the drop off zones or parking bays around the school.

If you need to purchase new uniform, you can attend the uniform shop next to the canteen on a Monday from 9:30-10:30. If you need to order at any other time, please contact Sam Smith who looks after all uniform requirements. Order forms are available at the office and on the website.

Second Hand uniform is available for purchase from the Hall with Donna and Dora on a Monday morning 9:30-10:30.

- When lost property item/s is found, it will be hung on the clothes rack in the lost property area.
- Items that cannot be hung (e.g. drink bottles, hats etc) will be placed in the Tub on the table.
- Named items (that can be read) will be returned to students.
- All lost property that has not been collected by the end of each Term will be given to charity. Some uniform will be kept for use in Sick Bay or given to children at our school who require them.
