OUTSIDE SCHOOL HOURS CARE (OSHC)

The TVPS Outside School Hours Care (OSHC) program is managed and staffed by our school. We pride ourselves on offering high quality care in compliance with the National Quality Framework.

Students attending the OSHC program are supervised and engaged at all times. The program offers a range of educational and 'children's choice' activities, including art/craft-work, board games and indoor and outdoor sports and play. There is also adequate opportunity for children to read or work on school assignments.

- Before School Care operates from 7:00am - 8:45am every school morning. Breakfast is served up until 8:30am.
- After School Care operates from 3:30pm - 6:00pm every school afternoon. This session includes a nutritious afternoon tea.
