FROM THE PRINCIPAL'S DESK – ALISON REES

“Why TVPS?”

This is a question that I’m often asked by prospective parents, and even my own family and friends. Having worked at a number of different primary schools throughout my 35 years in education – big and small, rural and suburban - I can state, with absolutely no bias, we are doing wonderful things at TVPS. Our students, your children, are just fabulous people ~ caring, respectful, enthusiastic, excited about learning ~ and are our greatest ambassadors. Our aim to provide learning opportunities to support and develop the whole child, not just the academic child, is reflected through our programs and activities, and is a strength of our school.

One of the things that I love about TVPS is where we’re situated. We have a beautiful property tucked away in quiet suburban streets. Our trees and gardens, (not to forget the hill!), shelter our buildings from the road and give us a haven; a little bit of peace in an otherwise very busy world. Not being seen is an advantage as we’re a bit of a secret and our community can enjoy using the school grounds in the evening and on weekends.

Having said that, not being seen is also a disadvantage because prospective parents often don’t know that we’re here and we rely on our families promoting our school in order to get enrolments. Enrolments mean more money for the school, and more money benefits ALL our students through the provision of our specialist programs, the upkeep and development of our school facilities, and resourcing of materials, equipment and technology.

What this means is that in order to maintain and develop the learning environment and opportunities we’re able to provide for our students, we need to maintain and grow our enrolments. To do this, we have to be creative in how we promote and market ourselves to the wider community. One special event that we hold annually is:

A Taste of TVPS Open Morning

9:00am to 12:00pm

This year it’s being held on Saturday March 27th.

The primary goal of this event is to showcase our school to prospective families with the aim of boosting enrolments for the following year ~ 2022. However it’s also a wonderful opportunity for our school to do a little bit of fundraising.

So let’s talk fundraising. As our School Council members and staff are aware, our school has taken a significant financial hit over the last 12 months – specifically due to processes introduced during the COVID-19 period, so we need to work hard to put money back in our TVPS coffers. Regular fundraising and gaining sponsorship for this Open Morning event and our 2021 production of Aladdin Jnr are vital.

HELP PLEASE – In order for this event, and our school to be a success, and a wonderful place for your children, we really need support from TVPS parents and volunteers.

TVPS SCHOOL COUNCIL ELECTIONS

“Everybody can be great...because anybody can serve. You don't have to have a college degree to serve. You don't have to make your subject and verb agree to serve. You only need a heart full of grace. A soul generated by love.” — **Martin Luther King Jr**

As with any organisation, there are times of change which bring sorrow and sadness, whilst at the same time providing opportunities. School Council elections are one of those times.

At the start of each year we farewell and thank serving members who have contributed much to the operational side of our school. Some of these parents and teachers have been on SC for a number of years and have provided a huge wealth of experience and support, not only to myself as Principal, but to our community and for our students.

Before announcing the results of the SC elections, I would like to sincerely thank the following people for their commitment and service to our school. They will be sadly missed. Thank you to:

- Cassian James
- Kate Tota
- Anthony Toscano
- Christine Gouramanis
- Faith Toy
- David Cursio
- Jenni Bevacqua

With these members stepping down, or in some cases “retirement” as their children have now left our school, it provides an opportunity to bring new members on board; all of whom have their own experiences, skills and areas of expertise to share with SC and our community.

We have now completed the election process for both the DET Members and the Parent Category Members. It is with great pleasure that I announce the newly elected School Council members.

Unfortunately though our School Council is not yet complete. We have had two (2) currently serving parent members step down, and so **we need to recruit ~ second two (2) parent members to School Council**. These positions are only for a one (1) year as a member finished mid-term.

If you might be interested in being seconded onto the TVPS School Council for one (1) year, please email me – Alison Rees on Alison.Rees@education.vic.gov.au to register your interest.

Our first meeting of the new TVPS School Council is scheduled for Monday March 29 at 7:00pm and I look forward to working with such a wonderful group of committed and energised members of our school community.

2021 Student Leadership Celebrations – Junior School Council Reps

Templestowe Valley's Junior School Council (JSC) is a student group that aims to understand the issues impacting on the students around the school, to problem solve solutions and act on them to improve the school. At Templestowe Valley, the JSC is made up of an elected representative from each class in Years 3-6.

We know that students have a positive contribution to make within the decision-making processes of our school. When students are actively involved in these processes, they have an enhanced sense of commitment to the school and its programs. At Templestowe Valley, our Junior School Council aims to:

- provide students with a sense of pride and achievement
- develop caring and responsible attitudes within the children
- provide an avenue for the development of 'student voice' within the school, and
- raise student awareness of local and global issues and associated support options.

Source: <http://allinadayworkblog.com/wp-content/uploads/2013/08/giving-back2.jpg>

Our elected representatives commit for a year of service to our school community. They meet regularly with our JSC Coordinators – Carly Bertelli and Julie McLean are able led by our JSC Leader – **Holly M.**

Templestowe Valley's JSC is responsible for:

- discussing issues raised by students and teachers,
- reporting back to their own class, and for some, another junior school class,
- making recommendations to Leadership on aspects of school life, and
- supporting those who are less fortunate by providing services or by contributing to fundraising activities arranged within the school community or by outside agencies.

Badge Presentation – Monday March 15

At **NEXT** Monday's assembly – Monday March 15, we will congratulate the following students on their commitment and service to Templestowe Valley and present them with their Junior School Council badge. We know that they will wear it with pride.

2021 Student Leadership Celebrations – Sustainability Captains

At TVPS, two (2) Sustainability Captains are chosen from each class Prep – Yr 6. Our TVPS Sustainability Captains are students who are interested in improving our school environment through different actions and initiatives. These students work under the guidance of a Sustainable Coordinator and meet on a regular basis to monitor and undertake environmental initiatives around the school. They speak regularly at whole school assemblies, monitor and encourage their peers to bring rubbish free lunches, as well as help hand out awards to students that are demonstrating good environmental practices.

Our Sustainability Team works towards reducing our ecological footprint through establishing and maintaining sustainable practices. This year we are working on making use of our sustainability resources. We are looking forward to getting the vegetable patch back up and running, and creating a system where the produce harvested will be used within the school community.

2021 Student Leadership Celebrations – Sustainability Captains

The Sustainability Captains are involved in tasks such as:

- taking part in school audits and reporting about them at school assemblies.
- thinking of ways to improve school environmental actions.
- writing articles for the school newsletters.
- looking after our chickens
- doing gardening activities around our school grounds.
- meeting visitors who come to the school to see our Sustainability Garden

Our Sustainability Team members are passionate about improving their school environment and making it as beautiful and sustainable as possible! We look forward to involving our captains in more school initiatives this year, giving them a sense of responsibility to look after their school environment as well as their future environment. It is because of their passion that we look forward to a sustainable future at TVPS.

Badge Presentation – Monday March 15

At **NEXT** Monday's assembly – Monday March 15, we will also congratulate the following students on their commitment and service to Templestowe Valley and present them with their Sustainability Captain's badge. We know that they will wear it with pride.

YEAR 1 BUNDOORA PARK EXCURSION

On Tuesday I was so excited because I was going on my first excursion. I went on a bus to Bundoora Park with 1ES and my mum. It was so much fun. We got to see kangaroos. We all visited an olden day school. We all wrote with our right hands and Leith got slapped. Hayden got the Dunce hat!

By Zara N (student)

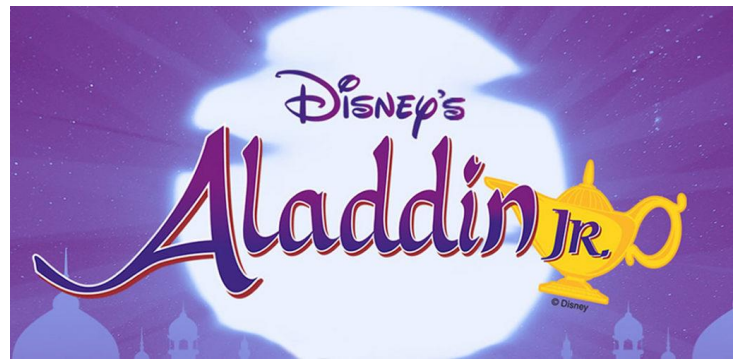

On the excursion everybody was excited!!! We had to bring a tiny bag. My most favourite part was seeing the kangaroos, joeys, and emus. My second favourite part was the school. My third favourite part was the house chores. It had been the best day ever!

In order to make it a fantastic school fundraising event, we ask each family to generously donate **one (1)** item to the raffle prizes. It can be Easter themed or an item of your choice. You may like to contribute Easter eggs, a soft bunny/toy, story book or even some kind of craft pack, or something else appropriate for a school raffle.

Working with Children Checks

As part of the Templestowe Valley PS commitment to child safety, at their June 3, 2019 meeting, the TVPS School Council endorsed the *Child Safety Policy* which included the recommendation that all volunteers and visitors to TVPS be required to hold a current WWCC.

So, from the start of Term 3, 2019, **ALL** volunteers, contractors, visitors, etc. coming into TVPS during school hours, or helping/supervising with out-of-school hours events, such as the Disco, etc. will be required to hold a current Working with Children Check (WWCC).

This will include adults who are attending school to help in the classroom, at the canteen, during an excursion or in-school event, swimming or sport event, etc. – any event that might require them to be in contact with children or working within an area where children might be frequenting without supervision, e.g. the canteen/OSHC rooms.

The requirement does **not** apply to:

- parents/carers or their delegates involved in the pick-up or drop-off of students at school.
- adults who are registered teachers, police officers or part of an allied service. *(Not required to hold a WWCC in addition to the associated Police Check if part of their professional registration.)*

Obtaining a WWCC

- No cost when applied for in a volunteer capacity
- Online applications can be made at:
<https://www.workingwithchildren.vic.gov.au/individuals/applicants/how-to-apply>
- *Please nominate Templestowe Valley PS as the place where the volunteer work will occur and we will be sent through an official copy of your card.*

TVPS WWCC Register

- A register of volunteers with a current WWCC will be maintained at TVPS
- Current WWCC registration - please check at the TVPS Office to see if a copy is on file and you are on the register
- New applicants:
 - If volunteers nominate TVPS on their application form, TVPS will automatically receive a copy of their WWCC card when issued
 - If not, then volunteers are asked to take their valid WWCC card to the school Office where a copy will be made and included in the register
