

FROM THE PRINCIPAL'S DESK – ALISON REES

From 1JM (L to R): Harrison, Harry, Max, Flynn, James, Esme, Gabby, Aurora and Jamie

I LOVE MY WORK! There are days when dealing with plumbing, balls on the roof and rubbish in the yard, etc. that make me question my sanity in becoming a teacher. But then there are days like today, when there are chortles of laughter coming from my office that make it all worthwhile.

I have said, and will continue to say, "Templestowe Valley kids are the BEST!" and here's my evidence. As principal, the door to my office is generally always open, and I do get lots of visitors. A number of the Year 1 students are the most regular, and usually start by saying, "I just wanted to say, Hi!, and see if you're having a good day." After they've checked that I'm okay, I get to hear all about what's happening in their lives. (The basketball final against Yr 2 students is a BIG topic of conversation at the moment.)

On the day of the photo, students from 1JM all arrived at the same time to surprise me, so we decided that we had a party happening. Hilarious! What was wonderful to hear was that all of them tried to include the others in the conversation. They listened to each other. They complimented each other and genuinely enjoyed being together. As I said, "I LOVE MY WORK!" It is so great to have our students all back on-site.

Getting Back to our New Normal

On a more serious note, over the last week or so, there have been a few questions from members our community asking as to whether we should be doing camps and the TVPS Production because of the:

1. possibility of future lockdowns, and/or
2. the cost to families.

When talking with our older students at the end of last year and in February about school, the one thing that kept coming up was the production and if it was going ahead. It was also the question that parents had. The second thing was camp. The third – the Asian Experience. These were their indicators of getting back to normal.

FROM THE PRINCIPAL'S DESK continued

It is absolutely essential for our children to see that their world is returning to normal after the extended lockdown periods last year, and again this year. Anxiety in students has increased dramatically in the last 12 months, along with a reduction in resilience and independence, and a fear of what “might happen tomorrow”. School must be their “safe known” as much as possible. We cannot be showing our students that we are living our life in fear of the “what if”. We need to be showing them that we are confident with moving forward with what we have planned, and if we need to make changes as we go, then that’s okay – that’s what we’ll do. Flexibility and dealing with things as they come up is what builds resilience. Having this modelled by our school and the adults around them supports students to develop strategies and coping mechanisms.

With regards to the cost to families, as a school we are acutely aware of this and try to keep the costs down as much as possible. However – our ultimate responsibility is to our students. If the staff firmly believe that student participation in an event is safe and extremely important for their development, then we will offer that event and support families to manage the cost.

Camps

Last year we talked at School Council (SC) about the value of camps and how shattering it was for our Yr 3 - 6 students to miss out on them. We discussed the value and benefits of camps in building students’ confidence, independence, risk taking, social skills, . . . Camps were a priority to have this year for our students’ wellbeing and attitude of returning to “normal”. Unfortunately the Yr 3/4 camp was deferred because of the lockdown. We are still striving to hold some sort of camp for them this year, but the venue has been severely hit by storm damage and may not fully re-open this year. They are helping us with our search for a venue. The Yr 5/6 camp continuing as planned is now even more important for the students to see that school is back to normal.

As discussed at SC, the cost for a 5 day camp this year is \$90- more than what it was for a 5 day camp in 2018. The increase in costs is due to food, accommodation, and transport; all of which are out of our control. We offer support to families in the way of payment plans, etc. and are currently seeking financial support for specific students through aid agencies.

School Production – Aladdin Jnr

I know that the majority of our community truly values and celebrates the bi-annual production. It is a rite of passage for our Yr 5 & 6 students, a highlight for all students and an absolute marketing point for enrolments. You only have to look at the engagement of the community in following Lauren’s Instagram clues last year, and after the announcement of what the production was to be, to know that this is an event that brings our community together. The recent School Review parent forums and survey feedback highlighted the importance of “*TVPS community spirit*”, and the need to “*build it back up again*”.

I also know at the moment that families are being asked to organise their child’s costume for their routine. This does not have to be an expensive item. I know that teachers try to make the items as accessible and cheap as they can. Many of our families visit somewhere like Savers, or KMART for the base items such as a plain t-shirt etc. These items are cheap and can be re-used. I know that our teachers and families sometimes also buy items for other students in need.

I understand that whilst some parents don’t like having to organise a costume, etc. and grumble about the cost, time, etc. once they see their child on stage – confident, proud and thoroughly enjoying themselves – their attitude changes. The number of positive emails that Lauren, the teachers and I receive after a production is evidence of this.

I hope this article addresses some of the concerns in our community, but all states very clearly what the school sees as important for our students, why we feel this way and our attitude to making it happen.

REPORTING - 3 WAY CONVERSATIONS

3 Way Conferences for ALL Year 5 – Year 6 students are being held on **Tuesday July 13th and Wednesday July 14th**

3 Way Conferences for ALL PREP – Year 4 students are being held on **Tuesday July 20th and Wednesday July 21st**

These conferences are very exciting and an integral part of our program as they give our students the opportunity to:

- celebrate the learning that they have done throughout the first semester, and
- articulate their learning goals for the next 6 months with their parents and teacher/s

In brief, both research and experience have demonstrated that 3 Way conferences offer many benefits including the following:

- stronger sense of accountability among students
- stronger sense of pride in achievement among students
- development of leadership skills among students
- promotion of reflection and engagement with learning
- helping parents to understand learning from the child's viewpoint
- celebration of the whole child
- showing trust and confidence in the child as a learner

Conversations are limited to 15 minutes. All booking of conferences will be done through the Compass system.

If you have difficulties with the bookings, please ring the Office for assistance on 8850 5777.

We will have a Plan B in place should there be any Covid-19 restrictions in place at the time and will notify you if that is the case.

PREPS 2022!!!

We've already started our planning for our 2022 Prep classes, as well as our Transition program for children who will be enrolling.

So a few important questions for our current families:

- **Do you have a child who will be starting school in 2022?**
- **Have you completed and submitted an enrolment form?**
- **Have you booked a place in our Flying Start program?**

If you do have a Prep child starting with us next year, please contact us ASAP to:

1. **Have an enrolment form sent home.**
2. **Book your child in for our Flying Start program.**

Here's the information about our Flying Start program.

(Please note that this program has needed to be moved to Term 3 due the current lockdown restrict visitors on-site.)

TVPS STUDENTS SUPPORTING OTHERS

I often stop and think of how much I have and feel grateful. I have way more than I need and I am well aware of that. Being thankful for all that we have should cause us to want to help others by giving of our abundance.

Teaching children to serve is such an important thing. If children learn while they are young the value of giving of themselves, not for praise but just because, their lives will be so much better. They will understand that others have need besides themselves. They will learn to see those needs and step in when needed. They will know how to help others without first being asked.

In the past, our JSC and students have raised money for the Indigenous Literacy Foundation. This year we'd like to do something a little different to aid indigenous communities. We'd like to give them books.

One of our TVPS parents, Bec Crouch, has found a charity who donate preloved books into indigenous communities with low literacy levels, and little access to books.

Books n Boots, is a charity that saves pre-loved books from landfill and gets them to Indigenous communities in remote Australia. The charity was set up by John Harding, a Meriam/Gu-Gu Yimider playwright and activist, and his partner Tara Newen, a welfare worker.

Find out more about Books n Boots by reading this linked news article and through the charity website:

Books n Boots website:

<https://www.booksnboots.org.au/book-donations>

We would love to support this charity by hold a “Books n Boots” drive in Term 3. We’ll be doing it in conjunction with our Book Fair in August.

We don’t want any books sent to school as yet, but knowing that school holidays are coming up and many families like to do a clean-up and clean-out at that time, we’re asking you to **please save any children’s books that you might be thinking of recycling or throwing away.**

Bec Crouch has very kindly offered to be the coordinator of this event, and I know that she’ll be looking for helpers once we’re at the collection and sort stage, but at the moment we’d just like you to start collecting books that you’re happy to donate to this very worthy cause.

Please save any children’s books that you might be thinking of recycling or throwing away. We’re going to donate them to a worthy cause.

ALADDIN JR SET BUILDING – HELPERS NEEDED!

We've been calling for volunteers to help with the prop building for this year's production. Unfortunately we haven't had many volunteers and are now at the desperate stage. Can you help – even in some small way?

Eva Wong (parent), is once again taking on the role of our set builder, but we desperately need some parent volunteers to help her with this big project!

If you are handy with tools / construction, or are just happy to help where you can, we would really like to hear from you!

Please send an email to Eva Wong – evakjm@bigpond.com expressing your interest and we will be in touch. We are MUST get started very soon, so if you can let us know ASAP that would be fantastic!

Thank you so much, we appreciate support from our parent community!

SPONSORS AND SUPPORTERS OF OUR PRODUCTION ~ ALADDIN JR.

Thank you to our sponsors and supporters for this year's School Production – Aladdin Jr.

As you know from previous newsletters, this year we are actively seeking sponsorship, and donations, for our TVPS Production of Aladdin Jr. Sponsorship and donations will help us purchase the materials for the making of set, props and costumes, as well as the sound and lighting and hiring of the Besen Centre. The expression, "Every dollar counts!" is very apt.

Bunnings – Eltham and Nunawading branches - is one of the first companies to have generously donated vouchers to TVPS. The vouchers will be used to purchase the timber and fixings to make the larger props and set.

It's fantastic for TVPS to have the support of local businesses, and we are extremely grateful to them for their generosity.

Donations received from Bunnings Eltham & Nunawading Branches.

SPONSORSHIP OPPORTUNITY – TVPS PRODUCTION OF ALADDIN JNR

- Do you own your own business? Would you like to sponsor an event?
- Do you work for someone who might be interested in sponsoring one or both of the events above?
- Do you know of an organisation who has sponsored other schools' events? Would you be able to broach sponsorship of us with them?

We would love to talk to any organisation or business about sponsorship and what they might gain from being associated with Templestowe Valley PS.

Please email me – Alison Rees – on:

LAUNCHING OUR NEW TVPS WEBSITE

Over the last 9 months, with School Council's support, we have been transitioning to a new website. Our old one was becoming a bit clunky and causing issues, so we felt it was time to reinvent and re-brand ourselves.

Rob Cretney has been coordinating the development of our new website, and is very proud to announce its launch on Friday. We can't thank him enough for all the hours of work that he's put in to make our website something special.

On the website you will find:

- Interviews with teachers and students
- Virtual tours
- Information for our TVPS community, as well as
- Information and booking tools for new families and visitors.

The web address is: <https://www.tempvalprimary.vic.edu.au/> or it can also be accessed through this QR Code.

Please take the time to have a look at the new format and let us know what you think.

Working with Children Checks

As part of the Templestowe Valley PS commitment to child safety, at their June 3, 2019 meeting, the TVPS School Council endorsed the Child Safety Policy which included the recommendation that all volunteers and visitors to TVPS be required to hold a current WWCC.

So, from the start of Term 3, 2019, **ALL** volunteers, contractors, visitors, etc. coming into TVPS during school hours, or helping/supervising with out-of-school hours events, such as the Disco, etc. will be required to hold a current Working with Children Check (WWCC).

This will include adults who are attending school to help in the classroom, at the canteen, during an excursion or in-school event, swimming or sport event, etc. – any event that might require them to be in contact with children or working within an area where children might be frequenting without supervision, e.g. the canteen/OSHC rooms.

The requirement does **not** apply to:

- parents/carers or their delegates involved in the pick-up or drop-off of students at school.
- adults who are registered teachers, police officers or part of an allied service. *(Not required to hold a WWCC in addition to the associated Police Check if part of their professional registration.)*

Obtaining a WWCC

- No cost when applied for in a volunteer capacity
- Online applications can be made at:
<https://www.workingwithchildren.vic.gov.au/individuals/applicants/how-to-apply>
- *Please nominate Templestowe Valley PS as the place where the volunteer work will occur and we will be sent through an official copy of your card.*

TVPS WWCC Register

- A register of volunteers with a current WWCC will be maintained at TVPS
- Current WWCC registration - please check at the TVPS Office to see if a copy is on file and you are on the register
- New applicants:
 - If volunteers nominate TVPS on their application form, TVPS will automatically receive a copy of their WWCC card when issued
 - If not, then volunteers are asked to take their valid WWCC card to the school Office where a copy will be made and included in the register
